

## School Uniform Policy

September 2022

Torquay Boys' Grammar School is committed to safeguarding and promoting the welfare of students and young people in its care.

### Aims:

School uniform plays a valuable role in contributing to the ethos of the school. It encourages identity with the school, instils pride and supports positive behaviour and discipline. Uniform can also be useful to protect children from social pressures to dress in a particular way.

TBGS has high expectations for personal presentation and uniform. All students are expected to follow these expectations consistently and without question.

Our uniform policy applies to students both on the school site and when travelling to and from school.

### Legislation & Statutory Requirements:

Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation.

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any student and it helps to promote equality at this school.

## School Uniform Policy

September 2022

Hair should not be shaved below a grade 1.

No undercuts.

Hair bands must be plain and only black in colour (no other hair accessories should be worn)

Blazers & Coats:

The school blazer is to be worn at all times unless otherwise directed by the Deputy Headteacher (Pastoral) during the Summer Term.

Students may ask to take their blazer off if they are hot in lessons, but they must leave lessons with their blazer on.

We encourage wearing suitable coats during cold periods, but these must not be worn inside the school buildings. We have a simple rule that should be followed 'when in – coats off'.

Disciplinary Action:

Any deviation from the uniform policy may result in disciplinary action with school-based sanctions used for persistent offenders.

Staff will ask students to remove jewellery that is not permitted within our policy, or at times when it poses a health and safety risk i.e. practical based lessons.

Jewellery that is confiscated can then be collected by parents/carers from the school office at the end of the day.

In the event of persistent uniform indiscretions, a student may be sent home to rectify the issue.

Members of the senior management team reserve the right to amend the uniform policy throughout the year.

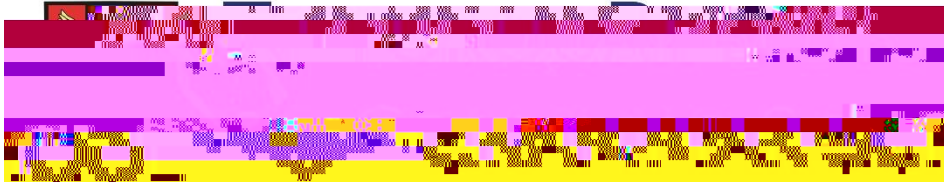

Addendum 1

Physical Education

PE kit is essential in ensuring that every student can access the PE Curriculum to its full potential and participate safely and comfortably.

ALL students should bring their PE kit to class even if they are not going to be actively involved as a performer.

Students who are excused from taking part will still need to change into PE kit as they will be involved in other ways such as coaching, or officiating.
